Critical Path for NEV-8: 5h = 3h + 2h

Critical Path for NEV-9: 9h = 4h + 5h

We held a meeting every other day to keep track of everyone's progress. We will try to complete the task on time and if someone is behind, we will find a way together. When our tasks have conflicts with other team member's tasks, we make a discord call to do the tasks together.

We didn't finish the NEV-6 since we expected NEV-6 to be an independent user stories, but in facts NEV-5 is a prerequisite of NEV-6, so NEV-6 was postponed until NEV-5 is finished. We learned that not all works are linear, and should organize the order of our tasks better.
